

## House Resolution No. 4115

**Whereas**, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens or distinguished themselves through significant personal achievement; and

**Whereas**, the members now pause to recognize Sarah Fraser, a recent Francis Howell Central High School graduate, who was chosen to attend the National Youth Science Camp held between June 29 and July 26 of this year; and

**Whereas**, Sarah Fraser was one of only two Missouri students invited to attend the National Youth Science summer camp; and

**Whereas**, the goal of the National Youth Science Foundation is to honor, sustain, and encourage youth interest in science; and

**Whereas**, Sarah Fraser participated in academically challenging lecture and hands-on studies and gained a new and deep appreciation for the great outdoors through a physically extensive outdoor program; and

**Whereas**, Sarah Fraser plans to attend the University of Miami this fall and to study ocean science:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere congratulations to Sarah Fraser on the illustrious occasion of having been chosen to participate in such a prestigious event; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Sarah Fraser.
